Re: **2010 Scholarship Application – 4 Scholarships given, totaling \$4,000.**

Dear High School Guidance Professional:

Can you help us award a deserving student at your institution with a **\$1,000 Scholarship**, compliments of the **Marlborough Regional Chamber of Commerce**? It is our hope that with your encouragement and involvement, a representative sample of students can be reached and informed about this supplemental opportunity to assist with higher education finances. It is our understanding that in many cases this assistance will not detract from other financial aid and scholarship arrangements from which students have benefited.

Our Criteria:

- Five (4) candidates, one chosen from each of the following schools: Assabet Valley Regional, Hudson High and Marlborough High graduating seniors eligible. One (1) Scholarship awarded to a Marlborough or Hudson resident from a school other than listed above.
- While a “business” focus is a central criterion, many non-business courses of study prepare students for meaningful business careers. Thus, **all** students are welcome to apply.
- Completed application (see application for specifics).
- Winners and alternatives selected by Chamber of Commerce scholarship committee volunteers; Chamber reserves the right to host a presentation event in conjunction with a regularly scheduled Chamber monthly event.

Please reach out to your student population and take advantage of this opportunity to enable the Marlborough business community to make expenses a little easier for a deserving local student. **Applications must be received by Friday, April 2, 2010** at the Chamber office, 11 Florence Street, Marlborough. Questions may be directed to Cathy Mogavero at 508-485-7746.

Thank you for your assistance and support. We look forward to receiving many applications from your graduating seniors.

Sincerely,

Susanne Morreale Leeber, CCE
